It's great to be returning to Wayside E.S. This class is for all levels of students in grades K-5 from New Players (just learning the Pieces) to Advanced Students who have previous experience and may have even played in organized competitions. Class time will be divided between a lesson and a game play portion. Instruction for new students will include the basics of how the pieces move, board set up, simple opening strategy and checkmate skills. Advanced students will cover tactics and strategy, more detailed openings and game analysis. We will provide information and a location for practice outside of class including access to weekly tournaments. We focus on sportsmanship and healthy competition and a sense of teamwork while we work towards self-improvement.

Chess Club meets on Friday afternoons from 4:00 to 5:00 p.m. in the I-Lab

C&O Family Chess Center follows the MCPS policy for snow days and other such closings. If MCPS opens late our morning programs will be held virtually at the regular class time. If schools close early or completely we will hold an online class at 3:30. On scheduled no school days we will hold an online class for those schools regularly scheduled that day of the week and a School vs. School online tournament for all programs. Zoom links will be provided for all such instances.
